JURISDICTION

Pursuant to Section 22 of the New York State Social Services Law (hereinafter Social Services Law) and Part 358 of Title 18 NYCRR, (hereinafter Regulations), a fair hearing was held on March 13, 2008, in [REDACTED], before Irving J. Weitzman, Administrative Law Judge. The following persons appeared at the hearing:

For the Appellant

[REDACTED], Appellant

For the Social Services Agency

A. Florido, C. Obinna, Fair Hearing Representatives

ISSUES

Was the Agency's January 4, 2008 determination to discontinue the Appellant's Public Assistance benefits because she had allegedly failed to take part in or complete a screening/assessment for alcohol and/or substance abuse correct?

FACT FINDING

An opportunity to be heard having been afforded to all interested parties and evidence having been taken and due deliberation having been had, it is hereby found that:

1. The Appellant has been in receipt of Public Assistance benefits.
2. By notice dated January 4, 2008, the Agency informed the Appellant of its determination to discontinue her Public Assistance benefits because she allegedly had failed to take part in or complete a screening/assessment for alcohol and/or substance abuse.

3. The Appellant requested this hearing to review the Agency's determination.

APPLICABLE LAW

A recipient of Public Assistance, Medical Assistance or Services has a right to an adequate notice when the Agency proposes to discontinue, suspend, reduce or change the manner of payment of such benefits. 18 NYCRR 358-3.3(a).

An adequate notice is a notice of action, an adverse action notice or an action taken notice which sets forth the action that the Agency proposes to take or is taking, and if a single notice is used for all affected assistance, benefits or services, the effect of such action, if any, on a recipient's other assistance, benefits or services. The notice must contain the specific reasons for the action. 18 NYCRR 358-2.2.

DISCUSSION

The evidence presented at the hearing establishes that the Agency sent the Appellant a January 4, 2008 notice informing her that it had determined to discontinue her Public Assistance benefits because she had allegedly failed to take part in or complete a screening/assessment for alcohol and/or substance abuse. The Appellant requested this hearing to appeal that determination.

When a social services agency proposes to discontinue assistance benefits, it is required to provide a recipient with timely and adequate notice. See 18 NYCRR 358-3.3(a)(i). Adequate notice must contain the specific reasons for the Agency's action. 18 NYCRR 358-2.2(a)(3). This requirement serves the purpose of informing the recipient of the charges against her/him so that (s)he can prepare her/his defense(s).

In this case, the Agency's January 4, 2008 notice states that the Appellant had failed to take part in or complete a screening/assessment for alcohol and/or substance abuse. However, it fails to state any time period in which said failure allegedly occurred. Such a notice violates a fundamental rule of due process that requires that a person be informed of when and what she or he is being accused of doing; the recipient is not expected to guess what the Agency's claim is about. Accordingly, inasmuch as such a defect voids the notice, the Agency's January 4, 2008 determination to discontinue the Appellant's Public Assistance benefits cannot be sustained.

It should be noted that evidence was presented at the hearing indicating that the Agency's records do not reflect the Appellant's correct and current address. The Appellant is now living at [REDACTED] whereas the Agency appears to have a former address of [REDACTED] listed as her current residence. Therefore, the Agency is directed to correct all of its records, both written and computerized, to reflect the Appellant's proper and current address as [REDACTED]

DECISION AND ORDER

The Agency's January 4, 2008 determination to discontinue the Appellant's Public Assistance benefits was not correct and cannot be sustained.

1. The Agency is directed to continue the Appellant's Public Assistance benefits and to restore any assistance and benefits withheld as a result of the Agency action retroactive to any date of discontinuance.

2. The Agency is directed to inform the Appellant in writing of its actions/determinations, specifically identifying the semi-monthly and/or monthly amounts of the benefits provided in accordance with this hearing decision and the corresponding periods of time for which said benefits are provided.

3. The Agency is directed to correct **all** of its records, both written and computerized, to reflect the Appellant's proper and current address as [REDACTED]

Should the Agency in the future determine to implement its previous action, it is directed to issue a proper and adequate notice to the Appellant.

The Appellant is advised of the right to request a new Fair Hearing to appeal any new determination and/or explanation made pursuant to the directives of this hearing decision (or of course, any other matter concerning which she may wish to appeal).

As required by 18 NYCRR 358-6.4, the Agency must comply immediately with the directives set forth above.

PUBLIC ASSISTANCE

This is to tell you that your public assistance will be **DISCONTINUED**. You will no longer get public assistance beginning January 15, 2008.

This is because adults who apply for public assistance must agree to be screened for an alcohol or substance abuse problem. They must also agree to be assessed for an alcohol or substance abuse problem, which may include drug testing, by a counselor certified by the Office of Alcoholism and Substance Abuse Services. This assessment would be required if it is indicated through the screening process or if the adult exhibits signs of an alcohol/substance abuse problem, or he/she is already participating in an alcohol or substance abuse treatment program. In addition, an adult who is required to be in treatment for an alcohol or substance abuse problem must sign, and not revoke, a consent to disclose treatment information to the local social services district.

You did not take part in or complete the alcohol/substance abuse assessment requirement.

You cannot receive public assistance until you agree to do so.

This decision is based on Regulation 18 NYCRR 351.2(1).

YOUR TIME LIMIT COUNT

This count is for your information only. At the time this notice is sent, you receive assistance through the Cash Safety Net Assistance program (Cash SNA).

YOUR 24-MONTH TIME LIMIT COUNT IS 65 MONTHS.

Unless you are exempted from the time limit, you may receive no more than 24 months of cash SNA in your lifetime. If you still need assistance after your

24-Month Time Limit Count reaches 24 months, you must receive that assistance in non-cash form.

If you have an outstanding overpayment recoupment balance, you are required to repay this amount to the Human Resources Administration. We will contact you regarding the repayment of these outstanding debts.

FOOD STAMPS

You will continue to get the SAME AMOUNT of food stamps from your current center for one more month. After that, a food stamp case will be automatically opened for you. We will send you a separate notice to give you more information about your food stamp case.

This decision is based on Regulations 18 NYCRR 387.8, 387.14 and 387.15.

If you have an overpayment that is not paid back, it will be referred for collection in a number of ways, including automated collection by the federal government. Federal benefits (such as Social Security) and tax refunds that you are entitled to receive may be taken to pay back the overpayment. The debt will also be subject to processing charges. This decision is based on 11 CFR 285.

If you do not access your Food Stamp Benefits (FSB) within 370 days, they will be expunged (taken back). If you have a FSB overpayment, your expunged benefits will be put towards your overpayment. If you apply for FSB again, and have not repaid the amount you owe, your FSB will be reduced if you begin to get FSB again. You will be notified, at that time, of the amount of reduced benefits you will get.

MEDICAL ASSISTANCE

While we determine if you are still eligible for Medical Assistance, we will continue Medical Assistance coverage unchanged for:

Name

Client I.D. #

We will soon write to you asking for information we need to determine your continuing eligibility for Medical Assistance. If you do not respond when we write, your Medical Assistance case may be closed at that time.

This decision is based on Regulation 18 NYCRR 360-2.6.

SERVICES AND OTHER INFORMATION

Your NYS Common Benefit Identification Card:

You should have a New York State Common Benefit Identification card. Even though you are no longer eligible for benefits, keep your card in a safe place. The same card will be used again if you become eligible for benefits in the future.

Social Services may provide information and education about family planning for up to 90 days from the effective date stated in this notice.

A loss of Public Assistance and Medical Assistance benefits will require a redetermination of your eligibility for social services within 30 days of such a decision. This does not necessarily mean that these services will be terminated. It means that your continuing eligibility for these services will have to be redetermined. For further information, please contact your services worker or call the general telephone number listed on page 1 of this notice.

IF YOU ARE WORKING, YOU MAY BE ABLE TO GET HELP PAYING FOR YOUR CHILD CARE. READ THE REST OF THIS NOTICE TO LEARN HOW TO APPLY.

What is Transitional Child Care?

The Transitional Child Care (TCC) program provides money to help working parents pay for child care. People who were on public assistance (PA) may be able to receive TCC for up to 12 months after they become ineligible for PA.

You can apply for TCC anytime during those 12 months. If you were eligible for TCC before the date of your application, you may receive payments for any child care during those earlier months.

Who Can Get TCC?

If you need child care in order to work and cannot get public assistance any longer because of the amount of money you make, you may be able to get TCC. You must have a child or foster child who is younger than 13 years, or a child up to age 19 who has special needs or is under court supervision.

In order for you to be eligible, your family's income may not exceed certain limits. You also must have been on public assistance in three of the last six months before your PA case closed.

How much will you have to pay?

You will pay a portion of the child care costs each month. How much you pay will depend on your income and the size of your family.

What types of child care can TCC pay for?

You have the right to choose any child care that is legal. This includes licensed day care centers; registered family day care homes; licensed group family day care homes; registered school-age child care programs; caregivers of legally-exempt group child care such as summer day camps; and friends, neighbors and relatives. Your Begin Site, Job Center, or a child care resource and referral agency (telephone 1-888-469-5999) can help you find child care.

How Can You Get TCC?

CALL (212)835-7681 AND ASK FOR TCC - TRANSITIONAL CHILD CARE. You will need to fill out an application and be approved. You can ask that the application be mailed to you. You also have the right to apply by mail if you wish.

You must provide the following information when you apply:

- o your most recent pay stubs or other proof of the amount of your family's income;
