FACT FINDING

1. The Appellant, who is 93 years old, has been in receipt of Medical Assistance, including Personal Care Services.

FH# 5874132H

2. On August 3, 2011, the Agency notified the Appellant that the Appellant's Personal Care Services were being discontinued.

3. On August 4, 2011, this hearing was requested.

APPLICABLE LAW

In general, a recipient of Public Assistance, Medical Assistance or Services (including child care and supportive services) has a right to a timely and adequate notice when the Agency proposes to discontinue, suspend, reduce or change the manner of payment of such benefits. An adequate, though not timely, notice is required where the Agency has accepted or denied an application for Public Assistance, Medical Assistance or Services; or has increased the Public Assistance grant; or has determined to change the amount of one of the items used in the calculation of a Public Assistance grant or Medical Assistance spenddown; or has determined that an individual is not eligible for an exemption from work requirements. 18 NYCRR 358-3.3(a). In addition, pursuant to 18 NYCRR 358-3.3(d), an adequate, though not timely, notice is required for a Public Assistance or Medical Assistance recipient when, for example, the Agency has factual information confirming the death of the recipient; the Agency has received a clear written statement from the recipient that he or she no longer wishes to receive Public Assistance or Medical Assistance; the Agency has reliable information that the recipient has been admitted to an institution or prison; the recipient's whereabouts are unknown and mail has been returned to the Agency; or the recipient has been accepted for Public Assistance or Medical Assistance in another district.

A timely notice means a notice which is mailed at least 10 days before the date upon which the proposed action is to become effective. 18 NYCRR 358-2.23.

The social services district must send a notice of discontinuance on a State-prescribed form to a Medical Assistance recipient if it determines that the recipient has become ineligible for Medical Assistance. 18 NYCRR 360-2.7(b). Recipient means a person who is, or has been, receiving a covered program or service. 18 NYCRR 358-2.18.

An adequate notice is a notice of action, an adverse action notice or an action taken notice which sets forth the action that the Agency proposes to take or is taking, and if a single notice is used for all affected assistance, benefits or services, the effect of such action, if any, on a recipient's other assistance, benefits or services. In addition, the notice must contain:

for reductions, the previous and new amounts of assistance or benefits provided;

the effective date of the action;

the specific reasons for the action;

the specific laws and/or regulations upon which the action is based;

the recipient's right to request an agency conference and fair hearing;

the procedure for requesting an agency conference or fair hearing, including an address and telephone number where a request for a fair hearing may be made and the time limits within which the request for a fair hearing must be made;

an explanation that a request for a conference is not a request for a fair hearing and that a separate request for a fair hearing must be made;

a statement that a request for a conference does not entitle one to aid continuing and that a right to aid continuing only arises pursuant to a request for a fair hearing;

the circumstances under which public assistance, medical assistance, food stamp benefits or services will be continued or reinstated until the fair hearing decision is issued;

a statement that a fair hearing must be requested separately from a conference;

a statement that when only an agency conference is requested and there is no specific request for a fair hearing, there is no right to continued public assistance, medical assistance, food stamp benefits or services;

a statement that participation in an agency conference does not affect the right to request a fair hearing;

the right of the recipient to review the case record and to obtain copies of documents which the agency will present into evidence at the hearing and other documents necessary for the recipient to prepare for the fair hearing at no cost;

an address and telephone number where the recipient can obtain additional information about the recipient's case, how to request a fair hearing, access to the case file, and/or obtaining copies of documents;

FH# 5874132H

the right to representation by legal counsel, a relative, friend or other person or to represent oneself, and the right to bring witnesses to the fair hearing and to question witnesses at the hearing;

the right to present written and oral evidence at the hearing;

the liability, if any, to repay continued or reinstated assistance and benefits, if the recipient loses the fair hearing;

information concerning the availability of community legal services to assist a recipient at the conference and fair hearing; and

a copy of the budget or the basis for the computation, in instances where the social services agency's determination is based upon a budget computation.

18 NYCRR 358-2.2.

DISCUSSION

On August 3, 2011, the Agency notified the Appellant that the Appellant's Personal Care Services were being discontinued.

The Agency's August 3, 2011, notice is void. A notice must allow for the preparation of an adequate defense. Perry v. Wing, 242 A.D.2d 964, 665 N.Y.S.2d 947 (4th Dept. 1997); Mecca v. Dowling, 210 A.D.2d 821, 620 N.Y.S.2d 584 (3d Dept. 1994). Here, not even considering that the Agency's notice provided a citation for its action that lacks even a minimum of detail such that it is meaningless, the Agency's notice listed a reason for the discontinuance of Personal Care Services that was not the basis, as demonstrated by the Agency's evidence, of the Agency's action.

FH# 5874132H

DECISION AND ORDER

The Agency's determination to discontinue the Appellant's Personal Care Services is not correct and is reversed.

1. The Agency is directed to restore, subject to other Agency actions or hearing decisions, the Personal Care Services lost by the Appellant as a direct result of the August 3, 2011, notice.

As required by 18 NYCRR 358-6.4, the Agency must comply immediately with the directives set forth above.
