

MEMORANDUMForm DSS-524 (Rev. 11/68)
Formerly BOA-100**TO:** Commissioner George K. Wyman **DATE:** May 12, 1971**FROM:** Felix Infausto. **SUBJECT:** Proposed order amending Part 300 of
Department Regulations

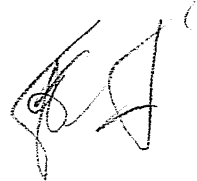

I recommend that you sign the attached proposed order amending Part 300 of Department Regulations relating to the recording and distribution of official releases and issuances.

SRS Program Regulation 10-10, dated November 14, 1970 requires the State Plan to contain a provision that program manuals and other policy issuances which affect the public, including Department Regulations and Board Rules governing eligibility be maintained in central office and in each district office of the Department for examination on regular work days by interested individuals. A new subdivision (d) is being added to Section 300.3 to provide for the availability of such materials.

Furthermore, it is proposed to add a new section 300.5 to Part 300 of the Regulations, for the purpose of requiring that copies of agency program manuals and other public issuances be made available, upon request, without charge to custodians, such as libraries or research centers, which are centrally located and accessible to the recipient population.

The new section also provides that specific policy manuals shall be made available, upon request, to an applicant, recipient or his representative, to assist him in preparing for a fair hearing. It further provides when a reasonable charge, related to cost, may be made to an applicant, recipient or his representative.

Clearances have been received from Mr. Chesbro, Miss Walsh and Mr. Tallcott.
