Re: NY State of Health Appeal Decisions

Dear Mr. Doyle:

We write in response to your letter dated May 23, 2016 requesting that redacted copies of NY State of Health (NYSOH) be made available in a manner similar to the Fair Hearing Decision Archive administered by the Office of Temporary and Disability Assistance (OTDA).

We are happy to report that work has already begun on a webpage for NYSOH appeals decisions that will function in the same manner as OTDA's and that Marketplace staff is currently in the process of redacting decisions for posting on that webpage. We expect to have redacted decisions issued during the latter part of 2015 ready for posting by the end of June. We will populate the website in reverse monthly order until we complete 2015, and then will move into decisions from 2014 and 2016. When the webpage goes live, we will send you the URL for the page.

Thank you for bringing this matter to our attention.

Sincerely,
